Dear Mother,

How are you? I am fine. I had a good time yesterday seeing many things in Indianapolis. I was interested in jeep. I should like to have a jeep. I think that it would be fun. Mary Riddle told me that they will see me sometimes on Sunday.

Thank you for the oranges which you sent to me by Jowell.

Three boys who live in the city will go to the movie "The Pride of the Yankees." I went to go but it costs $1.10.

With love,

Ray
